Saipan Cares for Animals (SCA) is a rescue clinic located in As Gonno, Saipan. We offer low-cost medical services for cats and dogs including vaccination, de-worming, spay/neuter surgery, flea & tick prevention, and emergency care. We also rescue injured and abandoned animals and care for them until they are ready to be adopted out to a loving home.

SCA is comprised of a dedicated group of volunteers whose mission is to improve the life of every dog and cat in the CNMI through sterilization, medication, and community education.
